Dear Eleanor

Annual Assurance Statement 2019

We have been unable to gain assurance that Kendoon fully complies with the Requirements of Chapter 3 of the Regulatory Framework.

Despite making improvements to date through our Governance Improvement Plan, the Committee's review of the available evidence in relation to compliance has demonstrated that we are not fully meeting the standards and outcomes required at this time.

A comprehensive Action Plan is in place with the necessary resources allocated with the intention to complete by end of March 2020.

As Chair, I have therefore been instructed to submit this Assurance Statement which was approved by the Management Committee at our meeting on 22 October 2019.

Your sincerely

Janet Conroy
Chair
